Team Report
Team Incinii

TEAM RETROSPECTIVE

What did the team do well during the phase?
- Communicated well
- Adapting meeting times to conflicting schedules
- Dividing workloads, especially for the sequence diagrams
- Coming to an agreement on the design (open minded / teamwork)

What problems did the team have during the phase?

- Not understanding feedback
- Not understanding UML files

What will the team do in the next phase to fix / avoid these problems?
- Sleep more and better time management around tests

TEAM MEMBER CONTRIBUTIONS
What is the relative contribution (in percentage) of each team member during the phase?

Team Member	Contribution
Julie	25%
David	25%
Fairooz	25%
Jenna	25%

Details
If you feel it is needed, provide some context or explanation for the contributions values. This may include praise (e.g. "Nadia put a lot of effort into the design") or reprimand (e.g. "Charles didn't attend most of the team meetings").

Everyone was able to get their assigned work done on the sequence diagrams in time. As well, everyone provided timely responses when asked for feedback asynchronously.
